

## DESIGN AND REFURBISHMENT OF BUTE HOUSE PREPARATORY SCHOOL COLLABORATION AREA

### Collaboration Area Review, Allocation and Refurbishment

The project required a review, allocation and refurbishment of three collaboration areas:

- A modern kitchen area.
- Hot desk and working area for the teachers' lesson planning and marking.
- Comfortable seating area so teachers could hold meetings and relax during breaks.

### Kudos Interiors' Solution

- Kudos Interiors provided various space plans to meet their needs, including:
- Re-locating the water, electrical and data supply pipes and cables.
- New benching, shelving and desks.
- New lighting and kitchen.
- Making good of the walls and decorations.
- New floor coverings.
- Supplying new furniture with Scotchgard™ protector.

### On Time and Within Budget

Kudos managed the full fit out and wherever possible re-used cables, pipes and shelving to maximise the budget. The project was completed on time and within budget.
